The "Ford Model AA Truck Club" would like to have you as a member. AA collectors are on the rise, but they are few and far apart. It is hoped that the "Ford Model AA Truck Club" provides a source of information so that collectors can

identify and restore their AA's. The Double A'er newsletter is published **once per year** in April. When you join the FMAATC, you will receive both the current and next year's Double A'er.
